

Road Trips

The most incredible way to see the wonders of the world is from a seat in a car on the open road. My favorite road trip was when I was seven and we drove from California to Washington D.C. for the huge bicentennial celebration. My favorite drive is Highway 1 from San Diego to Monterrey, CA because the cliffs are so high and the water is so blue. The most incredible sight I have ever seen on a trip is the Grand Canyon. Some of the best memories of my life are the road trips I've driven from sea to shining sea.
